

Coleraine F.C. Youths

- Stronger Together -

Health and Safety Policy

Coleraine Football Club (CFC) Youths are committed to providing a safe environment for all involved at the Club.

We aim to promote health and safety as far as reasonably practicable by ensuring

- the provision and maintenance of safe equipment and venues that poses no risk to health
- the provision of relevant information to all personnel including supervision and training to ensure health and safety
- safe environments to train and compete without risk to health
- identification and assessment of all risk, taking measures to eliminate or control it
- compliance with statutory regulation on health and safety and welfare of all personnel
- training to members where appropriate to identify and control potential hazardous situations/environments
- children and young people wear shin guards and remove all items of jewellery before each session
- we hold Emergency Contacts for all children and young people
- we have adequate insurance cover for the protection of all our members

We will provide First Aid training to ensure a first aider is always present at every session involving our young people.

We will encourage the reporting of any injuries. This will involve completion of an Accident Report/Serious Incident Form (Annex A) which will then be forwarded to the Committee.

This policy will be reviewed, updated and improved if necessary to ensure we are doing all we can to keep all involved safe.

Annex A
